General Information

Marina Houses Istanbul is in a very special location where the sea meets the green. Marina Houses Istanbul offers a piece from heaven with the natural features of its location, in Yakuplu Beylikdüzü, the new center of attraction, making it possible to savor the sea for 12 months.
You will witness the talks of the boats and the seagulls, right from your own balcony, terrace or window. It will never feel like you had enough of the sea sparkle view, and you will end up in the marina whenever you take a walk. The scent of the sea calls upon you in the summer…You will embrace the sea as you swim through the pure blue waves with the joy of vacation. In the winter, the sound will become a melody in your ears as you will savor a peaceful life. Whether you swim or pull the oars, or race with the wind on your jet-ski, the sea will serve for you in Marina Houses Istanbul. You will savour the sea to your heart’s content.
If your fishing rod is ready, the blessings from the sea call upon you to their taste and you will grab your rod to end up in the blue water. You will experience the best time you ever had with your children and loved ones right ashore to your home.
You can receive services from our five-star hotel, which provides comfort and special areas for you and your guests, for the moments that you will spend just like a vacation. You will savor shopping fruits and vegetables that inherit their taste from the earth, all grown in their season, from your organic market.
You will take your healthy steps in the freshness of the blue by the sea, inhaling the sweet air to your heart's content.
